**GENERAL PROVISIONS**

- These Rates are applicable to the Bank's corporate customers. The segment of corporate customers includes legal entities and private entrepreneurs in accordance with the criteria established by the Bank for inclusion into this segment.
- These Rates shall be applicable only to standard operations that are performed in accordance with the established banking practice. The Bank reserves the right to charge by agreement with a customer additional commission for non-standard operations, performance of which requires additional work.
- These Rates may be amended or supplemented by the Bank. The Bank informs the customers of any changes in Rates by way and time specified in the contract concluded with the Client. The Bank also has the right (not the obligation) to inform the Client of any changes in Rates via fax, electronic mail and / or electronic communication channel used by the Bank for remote banking purposes (Electronic Bank).
- The commissions charged by the Bank that are specified in Russian Rubles in the Rates as well as the Bank's expenses on performance of customers' operations in Russian Rubles are charged from respective customers' accounts with the Bank in Russian Rubles. If monetary funds in a customer's bank accounts in Russian Rubles are not sufficient, or if no such accounts exist, the Bank may charge off funds from the customer's accounts with the Bank in foreign currency, with calculation of the equivalent on the basis of the exchange rate of the Bank of Russia as at the date of charging the commission.
- The Bank's commissions specified in the Rates in foreign currency and the Bank's expenses on performance of customers' operations in foreign currencies are withdrawn from the respective customers' accounts with the Bank in foreign currencies (the equivalent of an amount in a foreign currency in other foreign currency is calculated on the basis of the exchange rate of the Bank of Russia as at the date of charging the commission). If a customer has given an instruction to charge off commission in Russian Rubles, if the monetary funds in the customer's accounts with the Bank in foreign currency are not sufficient, or if no such accounts exist, the Bank may charge off funds from the customer's accounts with the Bank in Russian Rubles, with calculation of the equivalent on the basis of the exchange rate of the Bank of Russia as at the date of charging the commission.
- The choice of right currency for the fee indicated in the Rates should be proceed in accordance with the transaction / account currency, unless otherwise specified.
- The Bank has the right of direct debiting of the customer's account to the amount of the commissions specified in the Rates and the expenses incurred by the Bank at performance of a customer's operations.
- Unless stated otherwise, the commissions are charged by the Bank on the day of provision of respective services; the Bank provides services if the funds in the customer's account are sufficient to pay for the services provided.
- Commissions paid by a customer shall not be returned.
- Acceptance and execution of settlement documents are processed during operational time when the Bank receives payment document, in RUR - up to 16:00 (Moscow time), in USD - up to 15:00 (Moscow time), in EUR - until 13:00 (Moscow time). When the Bank receives payment documents after 16:00 (Moscow time), they are to be processed and executed on the following working day. Settlement documents in other foreign currencies (except USD and EUR), accepted by the Bank are executed on Value date -Spot (+2 business days). Settlement documents in USD, EURO and other currencies, accepted after the set time can be executed on the same-day on the preliminary agreement with the Bank (except for the settlement documents submitted after the close of the day in the correspondent bank for the currency of payment - «cut-off time»).
- In case of the transfer of funds to the accounts of individuals related documents are required to confirm the economic feasibility of the operation.
